1. [] I received a call from Senator Henry Jackson (D., Wash.) who explained that he had been unable to attend the Director's briefing today and requested, if possible, that Mr. Maury arrange with Dorothy Fosdick to meet with Miss Fosdick tomorrow, 5 March, and bring her up-to-date on today's briefing, as he would the Senator himself. His present schedule requires that he leave the city this evening for the west coast and will not be able to meet with Mr. Maury and Miss Fosdick tomorrow.

2. [] Received a call from Mr. William Woodruff, Counsel, Senate Appropriations Committee staff, who told me that he is preparing the scheduled briefings for the Defense Committee for Senator Ellender's approval. As in the past, he would like to schedule the Director for a world roundup intelligence briefing for 9:30 Thursday, 18 March. Mr. Woodruff does not expect that the briefing would go over one-half day. I told him I would relay the request and be back in touch in the morning.

5. [] With the Director's approval I called Dorothy Fosdick, Staff Director of Senator Jackson's Subcommittee on National Security and International Operations of the Government Operations Committee, to say that in response to the Senator's personal request, [] or I would brief her on the contents of the Director's Armed Services Committee briefing today which the Senator himself had been unable to attend. I told Miss Fosdick that we would show her copies of the Director's prepared statement, but only with the clear understanding she mention this to no one other than the Senator, to which she agreed.

6. [] Following the Director's briefing of the Senate Armed Services Committee, I was queried by [] of DIA, about action which might have been taken in granting access clearance for compartmented information to James Woolsey, of the Armed Services Committee staff. I told [] and subsequently [] [], Chief External Affairs Group, DIA, that we had received one-time clearances on Woolsey on the basis of his prior top secret and compartmented clearances in DOD and suggested that since Woolsey would be present during a compartmented briefing of the Armed Services Committee by DIA tomorrow that the Pentagon take the action in updating his prior clearances. [] is handling this.

7. [] In a conversation with Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, we agreed on Tuesday, 23 March as the target date for the Director's briefing of that Committee. March said he was "preparing a letter" in which he would need this date.
